Charles and Suzanne,

Thank you very much for your professionalism and dedication today working on the website, listserv, news release, roll out plan and responses to media inquiries related to our action on Bristol Bay. You carried out your work, as always, with the utmost attention to detail so that our Region 10 communities and stakeholders have the information they need in a timely and understandable way. I so appreciate and respect your commitment to the work of this agency.

Thank you again.
